

POLICEMEN GUIDE 100 DOWN FIRE ESCAPES IN INCENDIARY FIRE

Firemen Declare Kerosene
Trail Led From First to
Top Floor.

Between seventy-five and one hundred persons, cut off from escape by way of the stairs in an incendiary fire early to-day in the five-story tenement at No. 116 East Ninety-seventh street, crowded the fire escape balconies on the front and rear of the house. They were piloted to safety by three policemen without an accident.

The fire started on the stairway at the third floor. Policeman Westphal of the East One Hundred and Fourth street station saw smoke in the hall and after sounding an alarm returned to get the tenants out.

In the meantime Policemen Lamb and Kuhlman had run through the hallways of the first three floors and aroused the tenants. Then the flames cut them off from going up or down. Few of the members of the fifteen families waited to dress. Those on the first three floors were told to go to the fire escapes and Lamb and Kuhlman climbed down and attached the drop ladder. The men, women and children descended in good order to the street while firemen were running up ladders.

Policeman Westphal, on returning to the house, learned that no one had been aroused above the third floor, and ran through No. 116 to the roof. He crossed to No. 116, dropped from the roof to the top fire-escape balcony, and kicked in the windows. After he had got up everybody on the top floor he went down and woke the occupants on the fourth. By walking the length of the escape balconies the tenants were able to get into windows of No. 114.

The fire went up through the two top floors to the roof, doing \$5,000 damage. The firemen reported a strong odor of kerosene on the stairway from the first to the top floor, and Fire Marshal Prial is investigating.

HIS RULE.
(From the Detroit Free Press.)
"Why didn't you offer that woman your seat in the street car?"
"I make it a rule never to offer any but old people my seat."
"Still she wasn't very young?"
"And I am always careful never to insultate by offering my seat that I consider a woman old."

BELIEVE DR. FLOWER CONCEALS A FORTUNE

Swindler's Sentence Postponed to
Give Him Chance to Settle
With Victims.

Because a committee of victims of Dr. Richard C. Flower believes he has secreted the money he obtained, Justice Davis in the Criminal Branch of the Supreme Court to-day postponed sentence on Flower until Nov. 16 to give him an opportunity to make restitution. Dr. Flower told his counsel, William M. K. Oleott, that he was flat broke.

"I would never have been arrested," he told Mr. Oleott, "if my money had held out. As it was I practically surrendered myself."

Flower was arrested in Toronto Oct. 21, after being a fugitive from justice for more than ten years. He forfeited a bail bond of \$25,000 in 1908, after a dozen indictments for grand larceny had been filed against him. The woman with whom he was living in Toronto at the time of his arrest

BEAUTY DOCTOR TELLS SECRET

Detroit Beauty Doctor Gives Simple
Recipe to Darken Gray Hair and
Promote Its Growth.

Miss Alice Whitney, a well-known beauty doctor of Detroit, Mich., recently gave out the following statement: "Anyone can prepare a simple mixture at home, at very little cost, that will darken gray hair, promote its growth and make it soft and glossy. To half a pint of water add 1 oz. of bay rum, a small box of Barbo Compound and 1/4 oz. of glycerine. These ingredients can be bought at any drug store at very little cost. Apply to the hair twice a week until the desired shade is obtained. This will make a gray-haired person look twenty years younger. It is also fine to promote the growth of the hair, relieve itching and scalp diseases, and is excellent for dandruff and falling hair.—Adv't.

Greatly Enlarged Misses' Department—Third Floor

"Walk-Over" The Shoe for You

A smart patent leather shoe with cloth top—one that will be popular with women this winter for street wear and dress wear too. Made with O'Sullivan's heels.

Every Walk-Over store in Greater New York is carrying a full line of O'Sullivanized Shoes for men and women—shoes made with O'Sullivan's Heels of new, live rubber attached ready to wear.

We are convinced that a rubber heeled shoe outwears a hard heeled shoe and keeps its shape much longer, to say nothing of the added comfort it gives.
